Hi Ben,

The wire for Strotas did come back yesterday.

I have a call in to our Ops Manager to find out why. He is calling the receiving bank as they declined the wire. Having this information will assist us in completing future requests and in completing the forms.

As soon as I have an answer, I will call or email you.

Best,

Michelle Aarnes

Good Morning Ben,

Can you please have the attached forms signed. Also I will need a passport for each individual on the account and a utility bill or something to verify the address of record.

You can fax all the information to me. Please let me know if you should need anything or should have questions.

Thanks for everything
